

# Welcome to SCH 4U0

Mr. D'Souza

# What you'll need for this course

- A device that allows you to connect to the internet.
- A scientific calculator (not graphing). Phones are NOT allowed on assessments
- Usual school stationary – paper, pencils, binder

# Units of Study

- Unit 1: Organic Chemistry
- Unit 2: Structure and Properties of Matter
- Unit 3: Energy Changes and Rates of Reactions
- Unit 4: Chemical Systems and Equilibrium
- Unit 5: Electrochemistry

# Assessment and Evaluation

We will be using a mastery model for our assessments

<b>Mastered</b>	<b>Mastering</b>	<b>Accomplishing</b>	<b>Developing</b>	<b>Emerging</b>	<b>Remedial</b>
100%	91%	75%	65%	55%	<40%

Assessments will be structured around the learning goals that are attached to the individual lessons/activities, and will take the form of assignments, quizzes, labs and unit tests.

**NEW**

# Learning Skills – Key to Success!

- Responsibility
  - I understand classroom routines, I get classwork, homework and assessments completed and submitted on time
- Organization
  - I manage my time including being prepared for and on time for class
- Independent Work
  - When given a task to work on in class, I don't waste any time, or distract myself or other.
- Collaboration
  - I work well in groups. I contribute and share workload
- Initiative
  - I take on new learning with effort and a positive attitude
- Self-Regulation
  - I ask questions and ask for help when needed

# Deadlines

- deadlines must be met, unless a prior arrangement has been made
- any missed work is **YOUR** responsibility
- please do your best to submit work on time, so you don't fall behind

# Late and Missed Assignments

- **NEW** • evaluations that are not completed result in a “zero”
- incomplete evaluations may result in you **NOT** earning your credit

# D2L Brightspace Class Site

You will need to visit our class site daily. Here you will find a calendar and our lessons and pretty much everything you need to be successful in this course.

Consider downloading the Pulse app and turning on notifications to ensure you don't miss any announcements etc.

**LOOKING FORWARD TO WORKING  
AND LEARNING WITH YOU ALL THIS  
SEMESTER<sup>^</sup>**
